PERSONAL STATEMENT

A recent Politics graduate with a 2:1 honours degree, I want to progress my analytical and conceptual skills via a fast-paced and practical environment in terms of the technological work environment. I use my skills to effectively produce high-quality results through obtained and new methods that I can implement and further my skill set.

WORK EXPERIENCE

English Tutor

Tomodachi Factory - Nagasaki, Japan

(Jan 2019-Aug 2020)

Responsibilities:

- Clear and effective communication to teach English to Japanese native speakers
- High energy and personality to ensure maximum satisfaction of the lessons for students and teachers
- Adapt to various programmes at a fast pace to perform each task to an adequate standard and reduce any mistakes.
- Received positive reviews from local elementary and middle schools that have encouraged students to further their English language, which have attracted schools in other prefectures such as Saga.

Cashier/Bar Staff

Class 1 Personnel - London

(Jun 2017 - Sep 2017)

Responsibilities:

- Fast and accurate numeracy and cash handling and good customer service skills ensuring customers get their items quickly and at an optimal level.
- Clear communication to employees maintaining teamwork directing them to ensure orders are met and workflow continues
- Able to work under pressure and maintain focus and work ethic during a peak period, including restaurants, festivals and stadiums.
- Strong skills acquired from various jobs and positive comments from managers had allowed me to expand my field of work and develop my hospitality abilities further.

Cleaning Supervisor

Incentive UK – London

(Apr 2016 to Apr 2017)

Responsibilities:

- Weekly check-ups with cleaning equipment and products
- Ensuring top quality cleaning within offices, bathrooms and other areas inside the building.
- Maintaining good teamwork with employees, monitoring registration in and out, ensuring that their payments are received efficiently and correctly.

EDUCATION
